At 2:55 p.m., 8/11/71, a telephone operator in the Radisson Hotel, Minneapolis, Minnesota, received a call from an unidentified individual who stated, "You had better listen and listen real good. This is no hoax. We are going to get Humphrey with a bomb. For God's sake get the people out of the hall. This is no hoax. We are going to get him." Senator Hubert Humphrey (D-Minn) was scheduled to speak at 3 p.m. that date at the hotel before a gathering of the Jewish War Veterans. He was immediately advised of the threat by local authorities.

A search of the premises by local authorities was negative.

Investigation conducted by the Bureau consisting of interview of the telephone operator receiving the anonymous call and contact of logical established sources disclosed no information regarding the identity of the caller.

ACTION:

It is recommended that a representative of the Crime Records Division advise Senator Humphrey or a representative of his office of the results of our investigation in this matter.

On 1-10-72 he and his wife flew to Philadelphia where he publicly announced his candidacy for the Presidency and afterward flew to St. Petersburg, Florida, and remained in Florida until 1-14-72. The Senator stated he does not have a private plane; however, it is to be noted that he has, according to one of his staff personnel, leased a 737 from United Airlines for use in his campaign for the Presidency. The staff member stated this plane was obtained on 1-10-72.

The Senator expressed his appreciation for our having furnished him this information and asked that his personal respects be paid to Mr. Hoover.

ENCLOSURE

THE 'NEW' HUBERT IS REALLY THE OLD HUBERT.

Here was his choice in the U.S. Senate: Stop the bombing in Indochina or not. He voted to continue the murder.....

October 5, 1971

CONGRESSIONAL RECORD -- SENATE

MILITARY PROCUREMENT AUTHORIZATIONS, 1972

The amendment (No. 433) is as follows:

SECTION 1. CESSATION OF BOMBING IN INDOCHINA

Sec. 601 (a) No funds authorized or appropriated under this or any other law may be expended after the date of enactment of this Act to bomb, rocket, napalm, or otherwise attack by air, any target whatsoever within the Kingdom of Cambodia, the Kingdom of Thailand, or the Democratic Republic of Vietnam and the Kingdom of Laos.

(b) No funds authorized or appropriated under this or any other law may be expended

under the day of enactment of this Act to bomb, rocket, napalm, or otherwise attack by air any target whatsoever within the Republic of Viet Nam unless the President determines that such action is necessary to provide for the safety of United States armed forces during their withdrawal from Vietnam.

Mr. GRAVEL Mr. President, while we deliberate today in this Chamber American planes will ease into the sky over Southeast Asia. They will drop tons of bombs and poured to the flesh of hu-

Over the past 10 years 700,000 Laotians have been made refugees, tens of thousands have been killed or wounded, and hundreds of thousands forced to live much of the time in caves and trenches.

The bombing raids also come in the name of the U.S. Senate, until we legislate otherwise.

The war is not winding down for the people of Indochina. Since the much heralded bombing halt over North Vietnam, the planes have not come home. They have simply shifted their targets into Laos and Cambodia.

The bombing has continued at 100 tons an hour, 2,400 tons a day. The rate of civilian casualties and refugee generation, indicative of the overall level of violence, has if anything increased during the last 2 years.

The amendment I offer is quite straightforward. Let us stop the bombing, not just partially over North Vietnam but in all Indochina—except for those strikes inside South Vietnam demonstrably related to the security of our withdrawing troops. Is it really the desire of the Senate to continue to send out those planes?

An Orwellian transformation is taking

Here's a bill to end the automated air war, that IHHH chose to oppose.

No Marriage In Her Future

Mr. C. R. of San Bernardino writes:

In the near future are you contemplating conducting a lecture or lectures in the San Bernardino area?

Dear Mr. C. R.:

I am now on the threshold of organizing a series of lectures in your area in the near future.

Dear Dr. Montgomery:

I am a well educated woman, I am a school teacher, and at the age of forty-five years I am still unmarried. What is your psychic advice? Till I ever marry?

Miss O.S., Los Angeles

Dear Miss O.S.:

According to DIVINE REVELATION relative to the rate of your unfoldment you'll never marry. Your method of operation is outdated; your only activities now, as you are, are school, home, television and bed, with a repetition of the same process daily. You need a program of activities whereby you are able to meet an eligible mate. A copy of my thoughts titled 'HAPPINESS AND THE SINGLE GIRL' is enroute to you via the mail.

Late on 8/23/73, Jerome Zeifman, Chief Counsel of the House Committee on Judiciary, called to advise me of a telephone conversation he had just had with Congressman Edwards. He said Edwards is currently in California and has spent considerable time in the Kern County area where there is a great deal of unrest in connection with labor activities involving grape pickers. Several individuals have been killed or injured during this labor unrest.

Zeifman said that Edwards is very concerned that the investigations of this situation are not being handled properly. He said Edwards specifically expressed his concern that the publicly stated policy of former Acting Director Gray to the effect that outside Agents would be sent in to handle civil rights cases is not being followed in this instance. He said Edwards feels a number of Agents should be sent into the area from other FBI offices and that they specifically should be Agents with Spanish speaking ability. He said Edwards had commented that he recently had some contact with the Phoenix FBI Office and had been highly impressed with the competency of the number of Spanish speaking Agents available there.

Zeifman advised Edwards has visited the FBI Resident Agency office in the area where this labor problem is centered expressing his concern over these cases and also has communicated directly with the Department of Justice about this matter. He said Edwards feels his expressions of concern have not generated the proper response and Edwards is now suggesting that he be allowed to convene his Subcommittee on Civil Rights and Constitutional Rights of the House Committee on Judiciary to conduct hearings in California concerning the handling of these cases. Zeifman said at Edwards' request he has discussed this matter with Pat McSweeney, Deputy Assistant Attorney General for Legislative Affairs in the absence of Assistant Attorney General Mike McKevitt, and that he expects a response from McSweeney. Zeifman said he was merely advising me so that the FBI would be aware of this situation.

ADMINISTRATIVE SERVICES

Bowers to the Director (cont'd.)
Re: CONGRESSMAN DON EDWARDS
HANDLING OF CIVIL RIGHTS CASES
IN KERN COUNTY, CALIFORNIA

I told Zeifman that I was aware that Edwards had visited the resident agency. I also told him that the adequacy of personnel in the area has been considered by officials both in the field and here in Washington. He was thanked for advising us of Edwards' comments.

This matter was discussed with McSweeney who stated Edwards has been constantly agitating regarding the Kern County situation. He advised that Senator Hubert Humphrey (D.-Minn.) also has gotten into the act and sent a telegram to the Attorney General urging that a large force of personnel be sent into the area to handle the unrest that has resulted from the labor dispute. McSweeney was advised that a week ago we had inquired of the Sacramento FBI Field Office regarding the adequacy of personnel to handle civil rights complaints growing out of this situation in Kern County and were assured that there are sufficient personnel in the area to take care of the matter, including Spanish speaking Agents. He was advised that we have experienced some delays in handling the necessary investigation because of an uncooperative attitude on the part of attorneys representing the United Farm Workers.

The Civil Rights Section of the General Investigative Division advises we have had 23 civil rights cases referred to us as a result of the situation in Kern County, about half of which are preliminary types.

It is not new or unusual for Congressman Edwards to be critical of the FBI with respect to the handling of civil rights matters. He has done so consistently and with this situation being in his home area, it is natural that he will make every effort to take advantage of the publicity potential. Congressman Edwards does not represent Kern County, however. Kern County is divided between two congressional districts. One is represented by Congressman Robert B. Mathias and the other by Congressman William M. Ketchum, both Republicans.

At 8:15 p.m., 10/22/73, [REDACTED] in Senator Hubert H. Humphrey's office called [REDACTED] Special Investigative Division, and asked if approval could be obtained to use the FBIHQ's telecopier to transmit a speech Senator Humphrey is to deliver at the AFL - CIO Convention in Miami, Florida, today, to our Miami Office. She explained that Senator Humphrey would be leaving Washington, D. C., at 10:00 p.m. and it was not expected his speech would be completed by their typists before he left. She was told she could expect a return call shortly concerning such approval.

Personnel of the Files and Communications Division advised that if such a request was properly approved there would be no problem in transmitting the speech to the Miami Office.

Associate Director Callahan approved the request and [REDACTED] was advised.

[REDACTED] subsequently called and said the use of the telecopier would not be needed since the speech had been completed prior to Senator Humphrey's departure.
